ear Mrs. Berglund:

With pleasure I answer your letter of the 25th of February, just ived.

William Latta was born in Ireland, eloped with a beautiful girl, and to America. His wife's names was Katherine or Jane Taylor. He served he Revolutionary war in Morgan's Cavalry. So said James Melyne Latta, eat grandson of William Latta, who lived at "Fairlawn," near Goshen, James married Elizabeth PotterJack, who was a member of the D.A.R. oshen, Ind. D. A. R. Number 9572. Some relatives of James Latta are living, I think, at Goshen, Ind. The postmaster could tell you. John, n of William, married Margaret Potter. I do not know whether James' Elizabeth joined the D. A. R. through the Potter family, who were d soldiers in the Revolution. William died in Bullskin Township, tte Co. Pa. 1808. His Will was probated inFayette Co. Pa.

John, son of William Latta, enlisted as a private under Washington, became a Major. HJohn married Margaret Potter, mentioned above, and of his children, Jane who married Henry McLaughlin, and Samuel Pot- Latta, who married Margaret H. Marshall. Samuel Potter Latta's daugh- Catharine Jane Latta, married John Zitterell, and some of their dren lived in Webster City, Iowa. Perhaps some of them lived there Years ago, Catherine Latta Zitterell wrote to me: "I have heard my dfather Latta, (William), tell of that terrible Christmas night, he crossed the Delaware river with Washington and his men."

John Robertson Latta, grandson of William, had a number of children, was JohnRobertson Latta. Some of the childrch of this son joined the . R. See Lineage Book, p. 144.

You will see from the above that you can join the D. A. R. Through liam Datta and through his son John and John's wife, Elizabeth Potter, ember of a Revolutionary family. John and Elizabeth Latta were the ents of Jane Latta McLaughlin.

So you will see that you can join the D. A. R. Write to the Secretary the D. A. R. at Washington, D. C. Mention Lineage Book p. 144, and o D. A. R. number 9572, of Goshen, Ind.

I hope the above will be of service to you.

Do you know of any families in Boone County named Latta, to whom I ld write for information about the Latta family?

With kindest regards to you and yours, I am,

Yours very respectfully,

Robert D. Latta

ear Sir:

Please excuse my troubling you for more information! I think I ave made an important discovery. It connects your branch of the Latta amily with another, I believe, but I need a few more links in the hain, and perhaps you can put me on the track of them. Your mother ad a brother named Samuel Potter Latta, and their father was John Latta his John Latta had at leat four brothers, Moses, Samuel, and two others hose names I do not know. This John Latta lived 5 miles north west of reenville, Mercer Co. Pa. with his family and he died there, between 840 and 1845. I have some old letter, which I copy for you; in substance:

The first is dated Oct. 9, 1843 and signed S.P. Latta. I think it is by your Uncle Samuel Potter Latta. He writes to his uncle Samuel Latta, of Mt Pleasant, Fayette Co. Pa. where his father John one time lived, and John had a brother named Samuel, who would be Samuel Potter Latta's uncle. S. P. Latta says, to his Uncle Samuel, that S. P.'s father died on Wednesday, the 4th of Oct. 1843. That on Sept. 26, 1843 S. P.'s father when catching a horse to ride to Greenville, got hurt by being crampt between the horse and a fence, went to town, returned unwell, and died Oct. 4, 1843. Your grandfather John died between 1840 and 1845. The dates and place agree, and the S.P. and Samuel Potter Latta agree. I have a history of the Samuel Latta, the S.P. Latta writes to, but I do not trace S. P. Latta. His Uncle Samuel had a brother named John. The family is as follows: William was in the Revolutionary war. He married Jane Taylor. It is said that he eloped from the No. of Ireland with her. Their children were: John, William, Catherine Huey, Margaret Cibbels, Andrew, James, Robert H., Mayor Cotter a daughter, Samuel, Ephraim, Moses and Jane. The Revolutionary William died in Bullskin Ty. Fayette Co. Pa. in 1808. This is where your mother and her people lived. Do you know how your grandfather John died? I believe your grandfather John is the son of this Revolutionary William, and that this Revolutionary William's nephew is Samuel Potter Latta, who signed the letter S. P. Latta. Please tell me where your mother lived and died in Illinois, and when. Do you know when your grandmother Margaret Potter Latta died? These questions are all important. Did your mother ever live in Ohio, if so, when and where?

Do you know where any of your grandfather John's brothers or sisters descendants live? I would like to write to them. I hope I can connect your family and the Revolutionary war Williams' family. I am in correspondence with some of William's descendants, and I know they would like to see the connection made. A large number of them live near Goshen, Ind.

This is enough for one letter, so I will not copy any of the other letters mentioned in the first paragraph.

Can you tell me who to write to that I may get more information?

Yours very truly,
